Book Passage • 51 Tamal Vista Blvd • Corte Madera

You know you want to grab the reader's attention from the first page, but how? How do writers create the narrative tension that keeps the reader turning pages? Critically acclaimed novelist and longtime book and magazine editor Amelia Beamer will share tips for creating narrative tension.

Amelia Beamer is the author of *The Loving Dead* (Night Shade Books), one of Barnes & Noble's top ten zombie novels of the past decade, as well as many stories in magazines and anthologies. Her fiction has made people laugh and given at least one person nightmares. She has worked as a magazine editor with Locus Magazine, a book editor with Shueisha English Edition, and as an independent book editor and career mentor with numerous independent authors writing science fiction, fantasy, and other popular fiction.
