

CWC-MARIN PRESENTS

# The Art of Editing

RALPH SCOTT AND EMILY CONWAY

Sunday, June 24, 2016 • 2 pm

Book Passage • 51 Tamal Vista Blvd • Corte Madera

## Join us for afternoon of editing tips and tricks

with editors Ralph Scott and Emily Conway as they discuss how to develop our inner self-editing skills, and how to prepare your manuscripts for working with an editor. Demystify the editing process and learn more about the various types of editing (developmental editing, copy or line editing, and proofreading).

For many of us, hiring an editor will be the most important decision involved to getting our works to a final and finished state. Save time and money by learning how and when to invest in an editor, and how to find and collaborate with the right editor for you.

**Ralph Scott** is a professional developmental editor and children's book author, who works with new authors on fiction and nonfiction projects with a specialty in character-driven novels, thrillers, mysteries, memoirs, sci fi/sci fantasy, dystopian lifestyles, self-help, and children's literature.
