**Dive deep into novel structure** with writing coach, editor, and award-winning blogger and author C.S. Lakin.

In this three-hour workshop, you'll learn:

- Where to start your story and how to set up your premise.
- What the ten key scenes are that frame your novel.
- What pinch points are and why you need them.
- How to craft those essential twists.
- Why your protagonist's goal is the key to great storytelling.
- How to bring out your story's themes.

Don't guess what scenes you need in your novel. Don't guess where your scenes go. You can write terrific novels, every time, if you layer your novel following this blueprint! (For novelists writing in any genre.)
